EMIRATES RACING AUTHORITY
HORSE REGISTRATION FORM

هيئة الإمارات لسباق الخيل
EMIRATES RACING AUTHORITY

A Horse Registration Form is required to be completed and submitted to the ERA Registry Office for all horses that have not previously been registered to race in the United Arab Emirates. The horse's passport should accompany this application.
This Form will act as a stable return on the initial registration of a horse only; thereafter any change in status of horse must be forwarded to the ERA on the prescribed ERA Stable Return form.

HORSE DETAILS

DECLARATION

By signing this Horse Registration Form, each Owner agrees, acknowledges and declares that:
- as a condition of the registration of this horse, they will be bound by the ERA Rules Of Racing
- the names on this form fully disclose the true, complete and accurate ownership of this horse
- in order for this horse registration to be processed and finalised, each Owner must have completed an ERA Owner Validation Form and be a currently validated Owner with the ERA
- the registration of this horse will not be approved and finalised by the ERA until such time as all relevant documentation has been received by the Registry Office
- should at any time, the ERA become aware that a false declaration has been made as to the ownership of this horse, the registration may be rescinded and the persons responsible may be punished
